

Itinerary: Alpe Devero / Lago di Devero

Practical Info

- Main road
- Minor road
- Walking route
- - - Route extension

Depart from: Alpe Devero 1631m
Height difference: 234m
Time: 2½ hours
Difficulty: T (Tourist) - Route extension E (Experienced)

Itinerary

1. All cars park at the large car park just as you reach Devero
 2. From Devero village walk out into the open plain and take the well signed trail to the right.
 3. It climbs slowly through several turns before straightening out and in about 30 minutes you reach Crampio
 4. From Crampio follow the path to Lake Devero
 5. There is a clear path round the lake which is rocky in parts
 6. Walk round the lake until you return to Crampio and retrace your steps back to Devero
 7. Alternatively carry on across the open plain at Devero and follow the steep path up and onward to Lago delle Streghe (Witches Lake)
 8. If you wish to visit Lago delle Streghe without the steep climb you can walk there easily in 15 minutes from Crampio
- There is a bar/restaurant in Devero and a bar at Crampio
