Itinerary

1. Take the cable car to the Alpino station
2. When you exit the cable car station walk up the steps to the little bar and turn right
3. Follow the road round the back of the cable car station and you will reach a fork.
4. Take the right fork which continues on the flat with woodland to the left and intermittent views across the lake to the right.
5. Follow this road along to the large turn round to the right and slightly downhill
6. Turn left and follow the path down towards Campino and Baveno
7. When you reach Campino the path continues down towards Loita and round to Roncaro and down into Baveno
8. The route is fairly well signed

- There is a small bar near the Alpino cable car station
- There is an Agriturismo restaurant just off the path at Campino
