How does the Super Saver Ticket work? We will give you two tickets. You use your first ticket to travel direct to the furthest stop, then with your second ticket you work your way back through the stops until you get back to Stresa. Have a look at our sample timetable overleaf.

Why is a Super Saver Ticket cheaper than a Rover Ticket? It is cheaper because you need to visit the islands in a set order. The Rover Tickets allow you to travel freely, making the stops in any order.
